

2022 Blood Banking/Transfusion Medicine (BBTM) Exam Schedule

- Breaks include: four 15-minute breaks and one 60-minute break; breaks are optional.
- You are not required to take a break or you may return early from a break, so your exam day can be shorter than the allotted time.
- If you wish to continue your exam without a break, select Next to begin the next section.
- If you decide to take the break, raise your hand and the proctor will log you out of the exam. You MUST LEAVE your testing station during all breaks; breaks cannot be taken at the testing station.
- At the completion of your break, you will be accompanied back to your testing station and the proctor will log you in to continue your exam.
- If you return late from a break, the excess time will be subtracted from the next section's allotted time.
