

### ***Target Audience***

ABPath CertLink® is a longitudinal assessment designed to support continuous learning and professional development. American Board of Pathology board-certified diplomates, which includes those with time-limited and non-time-limited certifications, participating in ABPath CertLink® are eligible to claim SAM-eligible CME.

### ***CME Accreditation and Designation Statement***

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American Society for Clinical Pathology (ASCP) and the American Board of Pathology (ABPath). The ASCP is accredited by the ACCME to provide continuing medical education for physicians.

The ASCP designates this enduring activity for a maximum of 5.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity meets requirements for the American Board of Pathology's Continuing Certification (CC) Part II Lifelong Learning and Self-Assessment. This enduring activity is designated for a maximum of 5 SAM-eligible CME credits.

### ***Disclaimer Statement***

The information presented in this CME program represents the views and opinions of the individual authors, and does not constitute the opinion or endorsement of, or promotion by, the American Board of Pathology. Reasonable efforts have been taken for educational subject matter to be presented in a balanced, unbiased fashion and in compliance with regulatory requirements. However, each program participant must always use his/her own personal and professional judgment when considering further application of this information, particularly as it may relate to patient diagnostic or treatment decisions including, without limitation, FDA-approved uses and any off-label uses.

### ***Faculty and Planning Committee Disclosure***

Faculty and Planning Committee for this activity have been required to disclose all relationships with any proprietary entity producing health care goods or services, with the exemption of non-profit or government organizations and non-health care related companies.

**No relevant financial relationships with commercial entities were disclosed by:**
