

2021 Neuropathology (NP) Exam Schedule

NOTE: Breaks are optional; you are not required to take the full break, so your exam day can be shorter than the allotted time if you do not use all break time.

NOTE: Breaks are 10 or 60-minutes in length and you are allowed to leave your testing area during the breaks. When you return from a break, you may begin the next section immediately. If you return late from a break, the excess time will be subtracted from the next section's allotted time.
