

2024 Molecular Genetic Pathology (MG) Exam Schedule

- Breaks include: four 15-minute optional breaks and one 60-minute lunch break.
- You **are not** required to take **any** break or you may return early from a break, so your exam day can be shorter than the allotted time.
- If you wish to continue your exam at a 15-minute optional break, select “Continue Exam” in the bottom right corner of the screen to begin the next section.
- If you decide to take the 15-minute optional break, click “Begin Break” **raise your hand** and the proctor will log you out of the exam.
- At the 60-minute lunch break, **raise your hand** and the proctor will log you out of the exam. If you **choose not** to take the 60-minute lunch break, inform the proctor that you would like to continue with your exam.
- You **MUST LEAVE** your testing station during all breaks you choose to take; breaks cannot be taken at the testing station.
- At the completion of each break, you will be accompanied back to your testing station and the proctor will log you in to continue your exam.
- If you return late from a break, the excess time will be subtracted from the next section’s allotted time.
- If you take an unscheduled break during your exam, the test time will not stop.
